Our Staff Support Networks

We are proud to have a number of active staff networks supporting and promoting groups of staff that share similar characteristics, life experiences, values and beliefs.

They not only serve as a reference point for discussion, shared experiences, mutual support and knowledge, but actively promote the positive values colleagues within these groups can bring to SCC and the communities it serves.

Why Suffolk?

A breath of fresh air

Only an hour outside London, Suffolk is increasingly attracting talented people choosing to move away from London to live and work in a county that can offer lively and thriving urban and market towns alongside rural and coastal villages. Here is a lifestyle that offers choices and a great place to live, low cost housing across the county, good schools, plenty of opportunities for both cultural and outdoor activities and strong, safe communities.
