

Travel Information

Address

Victorian Comprehensive Cancer centre Level 10,
Cluster 2, 305 Grattan Street Melbourne, VIC

[Map](#)

The Melbourne ISC is located at the Victorian Comprehensive Cancer Centre (VCCC) which is a multi-site, multi-disciplinary specialist cancer hospital and research centre located in Melbourne's Parkville Biomedical precinct.

By Air

Melbourne (Tullamarine) Airport is about 30 minutes drive (Uber/Taxi) to the office/laboratory.

[Melbourne Airport: Ground transport options](#)

By Public Transportation

Catching a tram, train or uber/taxi is the easiest mode of transport to get to the office and lab.

By Car

There is no unmetered onsite parking. The parking surrounding the building is one hourly and approximately \$4.
