

Travel Information

Address

11 Biopolis Way #09-01 Helios
138667 Singapore

[Map](#)

The Singapore Illumina Solution Center is located in Biopolis, south-west corner of Singapore. Biopolis is a technology park, a high-profile space that brings key Singaporean biomedical research institutes together with global and local biotechnology and pharmaceutical companies and national governance bodies. It is conveniently located near Buona Vista MRT interchange station on the East-West and Circle Lines.

By Air

Singapore Changi Airport to the Illumina Singapore Office is about 30 minutes via taxi/Grab.

[Singapore Changi Airport Transport Guide](#)

By Public Transportation

East West Line and alight at Station **EW21 Buona Vista**, proceed to Exit D and walk about 7 minutes through the Linkway and bridge to arrive at Helios Building.

Circle Line and alight at Station **CC22 Buona Vista**, take the Exit D and walk about 7 minutes through the Linkway and bridge to arrive at Helios Building.

By Car

There are onsite parking lots available for guests at the building basement. Please follow the directional signs to access the carparks.
