Monday 5th October 10:00-12:00

Monday 12th October 10:00-12:00

Monday 12th October 13:00-15:00

This training will provide delegates with an understanding of how partners can work together to disrupt exploitation.

The 2-hour session will be based on the Home Office Disruption Toolkit but will also draw on other learning and powers and be delivered by CYPFIRST via Microsoft Teams.

Each session will be 2 hours in length and will use case studies to unpick and identify the tools and powers available.

It is intended that both **front line officers** and **line managers** attend this training from the following areas:-

Police • Local Authority Housing Teams • Housing Associations •
Local Authority ASB Teams • Local Authority ASB Teams • Trading
Standards • Local Authority Licensing Teams • Probation •
MAPPA • IOM • Youth Justice Safeguarding/Social Care (children
and adults) • DWP

At the end of the training you will have an understanding of:

• What is disruption • How this is relevant to your role • Exploration of different legislation and orders that can be used
